We will meet on Zoom from 700-730pm (740 at the latest) on the dates above. Please have your child read the chapters in Christ Our Life before class.

Review puzzles/crosswords and fill in the blanks are optional for your child to write in. Sections like “A letter home” and “Family Feature” are also optional reading.

For class, have the Christ Our Life book close by. I’m asking that at least one parent be near their child (either sitting with them or in the same room) during the session if possible, to help with any technical problems and to ensure that your child stays focused on the lesson. An added bonus is that you will be aware of what your child is learning so you can discuss it outside of class time.

You can access Christ our Life from Loyola Press on-line if you would like more resources including review games. (<https://www.loyolapress.com/faith-formation/christ-our-life/christ-our-life-2016/parents-and-students>)

Please contact me with any questions or concerns. I look forward to connecting with you and your child this year!
