

CONFIRMATION PATRON SAINT FORM

It is traditional for a Confirmation Candidate to choose a saint as a particular patron who serves as both a model and example as well as being an intercessor for the candidate in heaven. The hope is that the example and witness of the saint will inspire a life of deeper fidelity and that, through a life of prayer, a very real friendship develops with that saint. A candidate can choose a particular saint because of a devotion to that saint, because the saint is the patron of something important to the candidate, or because, in reading the lives of the saints, one saint is particularly inspirational to the candidate.
