

SCRIP

SCRIP Gift Card Fundraising at SMV

SCRIP is Home and School's year-long fundraiser with the added bonus of also being a tuition rebate program. By paying with SCRIP (gift cards/e-cards/reloadable cards) you get your regular shopping done and earn \$\$ towards your tuition. Rebates up to 18%. 80% of your rebates earned can be applied to next year's tuition balance. The remaining 20% supports Home & School programs.

SMV enrollment code: 447A8A8B4319

Sign Up Process:

1. Create your account on the RAISE RIGHT website: **[Start Earning as a Participant • RaiseRight](#)**
2. Link your bank account to pay online or via mobile app. (credit card payments are accepted, however higher fees apply) Access to e-cards is immediate when paying online.
3. Sign the SCRIP Permission/Waiver of Claim Form: **[2022-23 SCRIP Permission/Waiver of Claim Form - Google Forms](#)**

How does SCRIP work????

Ordering e-cards, checking their balances and using them online or for in-store purchases is easy with the RaiseRight site or mobile app. Orders for physical cards placed online or via the app by 8am Mondays of full school weeks will be delivered via backpacks on Thursdays. Family members and friends can create SCRIP accounts and have their rebates applied to your family's tuition bill.

The more you use the more you save! Many families earn hundreds of dollars off their tuition bill each year while also supporting Home and School programs, like providing gift cards to our teachers at Christmas and Teacher Appreciation week. It's a win/win!
